J.K.K. MUNIRAJAH COLLEGE OF AGRICULTURAL SCIENCE

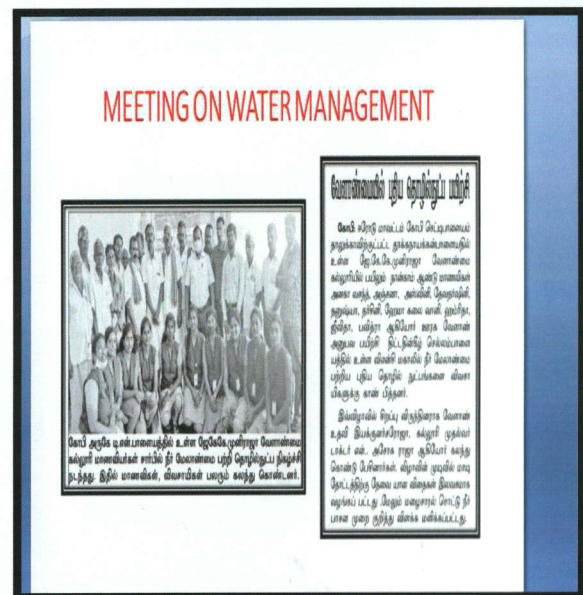

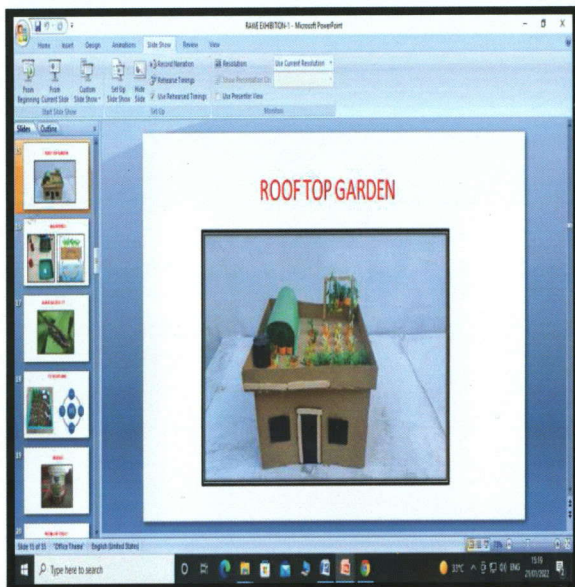

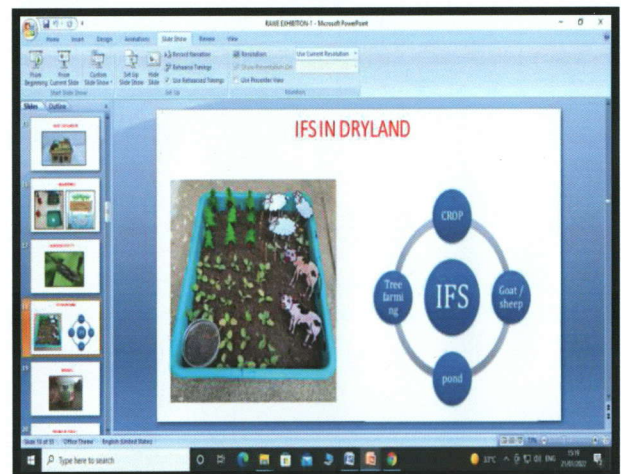

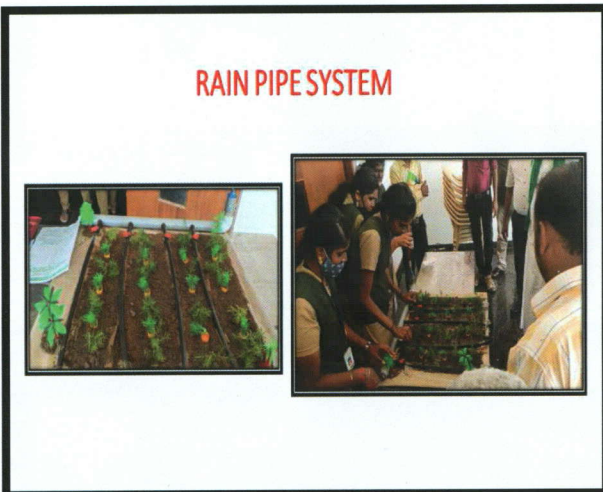

Online Education

Due to the second wave of COVID-19 pandemic, the college was again closed in mid-April 2021 based on Tamil Nadu Government guidelines. Despite the college was closed, A virtual mode of teaching has again sprouted. Efforts were made by the teaching faculty to conduct the classes on online platform and students were encouraged to participate in the various webinar and online training programmes related to academics.

RAWE Exhibition

After a successful completion of the Rural Agricultural Work Experience (RAWE) programme, the final presentation was made on 03.05.2021 at JKKMCAS via virtual mode. The programme was initiated by Principal of JKKMCAS. He explained the outline of the programme. Further, Dr. N.Sriram, Professor and KVK Programme Coordinator (TNAU), Virudhachalam evaluated the presentation. The final year, students displayed their skills in the form of different models and shared their experiences. The junior students and faculty of the college had interactive sessions. Finally, novel ideas of different groups were evaluated by a team of faculty members.

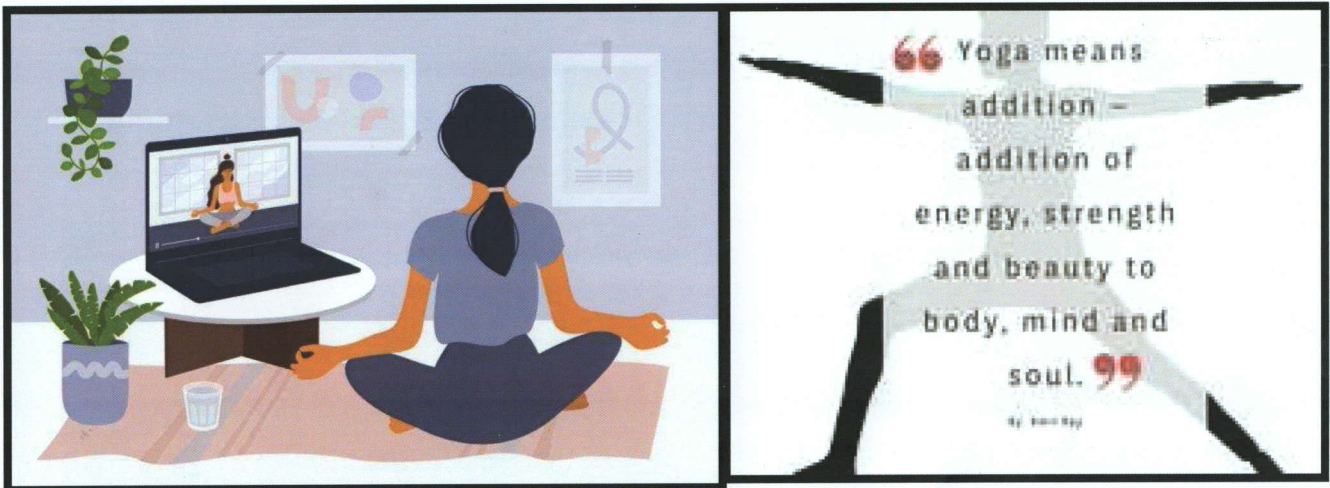

Students participated webinars

Yoga day

Beyond its immediate impact on physical health, COVID-19 pandemic has also exacerbated depression and anxiety. To nourish the mental health dimension in the pandemic, yoga is most needed. Each Yogic activity is a key to improving flexibility, strength, balance and attaining harmony. In this connection, 'International Yoga Day' was celebrated on 21.06.2021 with the theme of "Yoga for well-being" - how the practice of Yoga can promote the holistic health of every individual. DrK.P.Udyakumar, Professor of manavalakalai, Yoga and HR Trainer of NLC Ltd., Neyveli and Dr. N. Asoka Raja, Principal, JKKMCAS felicitated the function.

Promoting the mental health and wellness of students and faculty members, yoga sessions and lectures on the balanced development of the physical, mental and spiritual horizon of humans were conducted.
